

Vacancy

Head of Quality & Compliance

Imanova is recruiting for the business critical role of Head of Quality & Compliance.

Background

Imanova provides world class medical imaging (Positron Emission Tomography and Magnetic Resonance Imaging) services to industry and academic clients to support drug development and help improve disease understanding.

This position provides a unique opportunity for the successful candidate to play a key role in a clinical research environment which includes the development and manufacture of PET radiopharmaceuticals, as well as the performance of clinical studies within a single quality system. The Head of Quality and Compliance will be responsible for ensuring compliance with GMP and GCP across the company and, if eligible, may perform QP release for PET radiopharmaceuticals under the terms of the site MIA(IMP) licence.

The role will report to our CEO and will be responsible for the direction of Quality Assurance, Batch Release and Validation activities. The role will also include hosting of audits and inspections from clients and regulatory bodies.

The Candidate

The successful candidate will be an experienced quality professional, who can apply their knowledge of GMP in a pharmaceutical development environment to this unique and challenging area. Experience in clinical research would be an advantage, but is not essential.

To be considered for this position you will have:

- Significant relevant experience, gained within the pharmaceutical industry, ideally in a development environment
- Demonstrated expertise in quality management within a GMP environment
- Eligibility for nomination as Qualified Person for IMPs
- Knowledge of sterile pharmaceutical manufacture
- Experience of hosting regulatory inspections
- Previous people management experience
- Knowledge of the unique implementation of QA programmes associated with the manufacture of positron emitting tracers or radiopharmaceuticals would be desirable but is not essential
- Good understanding of the requirements of early phase clinical research

Competitive Benefits - Bonus, Contributory Pension, Private Medical Insurance, Life Assurance & Flexible Benefits options

To apply for this position please forward your CV and a covering letter detailing your relevant experience to Colette Owen, HR Manager at recruitment@imanova.co.uk

Imanova is an equal opportunities employer and positively encourages applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, gender reassignment, religion or belief, marital status, or pregnancy and maternity.
